This reprogramming action transfers funds between appropriations for proper execution. The reclassification is required to execute funds properly in accordance with congressional intent. These actions are determined to be necessary in the national interest. These actions do not change the purpose for which the funds were originally appropriated. This reprogramming action meets all administrative and legal requirements, and none of the items has been previously denied by the Congress.

PART I of this reprogramming action transfers \$6.128 million between Defense appropriations for proper execution. This reprogramming action uses \$6.128 million of general transfer authority pursuant to section 1412 of division A of Public Law 119-4, the Full-Year Continuing Appropriations Act, 2025.

PART II of this reprogramming action realigns \$20.000 million within the Research, Development, Test, and Evaluation, Air Force, 25/26, appropriation and \$3.000 million from Aircraft Procurement, Army, 25/27, appropriation to Operation and Maintenance, Army National Guard, 25/25, appropriation for the proper execution of congressional distributed adjustment items pursuant to section 1422 of division A of Public Law 119-4, the Full-Year Continuing Appropriations Act, 2025.
