This reprogramming action provides funding for the replacement of defense articles from the stocks of the Department of Defense and for the reimbursement of defense services of the Department of Defense provided to the Government of Ukraine or identified and notified to Congress for provision to the Government of Ukraine. This action is determined to be necessary in the national interest. This reprogramming action meets all administrative and legal requirements, and none of the items have been previously denied by the Congress.

This reprogramming action transfers \$159.385 million from the Operation and Maintenance, Defense-Wide, 24/25, appropriation to various Defense appropriations pursuant to the funding appropriated in division B of Public Law 118-50, the Ukraine Security Supplemental Appropriation Act, 2024.

The transfer authority provided with the replacement funding in Public Law 118-50 is in addition to any other transfer authority available to the Department of Defense.
