This reprogramming action transfers funds between appropriations for proper execution. The reclassification is required to execute funds properly in accordance with congressional intent. These actions are determined to be necessary in the national interest. These actions do not change the purpose for which the funds were originally appropriated. This reprogramming action meets all administrative and legal requirements, and none of the items has been previously denied by the Congress.

PART I of this reprogramming action realigns \$2.00 million within the Research, Development, Test, and Evaluation, Defense-Wide 26/27, appropriation.
