This prior approval reprogramming action is submitted for approval because these actions use general or special transfer authority, exceed established reprogramming thresholds, affect special interest items, or initiate a new start. This reprogramming action provides funding in support of higher priority items, based on unforeseen military requirements, than those for which originally appropriated; and are determined to be necessary in the national interest. They meet all administrative and legal requirements, and none of the items have previously been denied by the Congress.

This reprogramming action transfers \$158.44 million between Defense appropriations. This reprogramming action uses \$158.44 million of general transfer authority pursuant to Section 8005 of division A of Public Law 119-75, the Department of Defense Appropriations Act, 2026
